

How to attach images to your posts.

1. Go to <http://www.photobucket.com> and setup a free account.

2. Log-in to PhotoBucket with you newly created account.

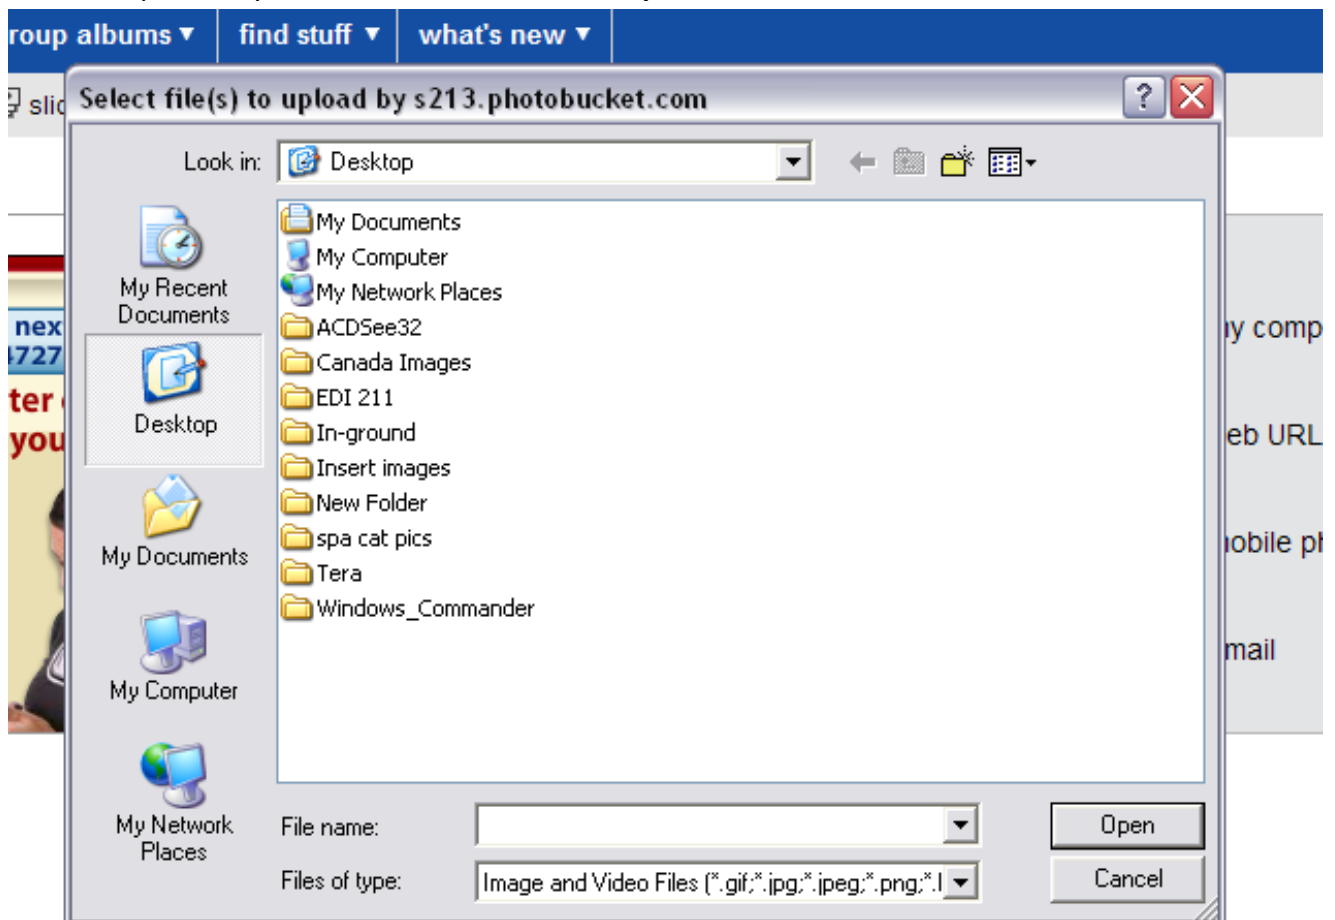

3. Reduce to 640 x 480 or smaller.

4. Click on the blue button. (**Choose files**)

5. Select the pictures you want to add. Then **Click Open**

- You will be asked for a title and description of the file you added. *This is optional.* Once finished scroll down to the bottom of the page and click on the save and continue button.

Now it is time to add it to your post.

1. Copy all the text out of text box located next to the IMG Code

The screenshot shows a forum post editor interface. At the top, there is a "Save" button. Below it, the text "click to add title" is displayed. A row of action links includes "edit", "move", "tag", "share", and "delete". A central image of a blue Volkswagen Beetle is shown. Below the image, the filename "bug.jpg" is listed. The "Email & IM" field contains "http://s213.photobu". The "Direct Link" field contains "http://i213.photobu". The "HTML Code" field contains "<a href='\"http://s213". The "IMG Code" field contains "[IMG]http://i213.ph" and is highlighted in yellow. An arrow points from the text "Copy (CTRL C)" to this highlighted field. A "customize links" button is located at the bottom left.

2. Goto the athensvwclub.com forum and login.

The screenshot shows the AthensVWClub.com forum homepage in Internet Explorer. The browser title is "AthensVWClub.com :: Index - Windows Internet Explorer". The address bar shows "http://www.athensvwclub.com/phpBB2/index.php". The page features a navigation menu with links for "Home", "Forum", "Event Calendar", "Gallery", "Toolbox", and "About Us". Below the menu, there is a search bar and a user profile section for "tronview" with a "Log out" link. The main content area displays a forum index table with columns for "Forum", "Topics", "Posts", and "Last Post".
